You can have confidence in North American

Issued by North American Company for Life and Health Insurance®

We focus on what matters most

With 136 years of business under our belt, North American's continued and consistent financial strength is a result of our conservative and disciplined investment strategy, our private ownership structure, and doing what's right for our distribution partners and policyowners.

Speaking of policyowners, did you know...

North American holds over 683,000 life insurance and annuity policies, with assets of over \$39 billion.¹

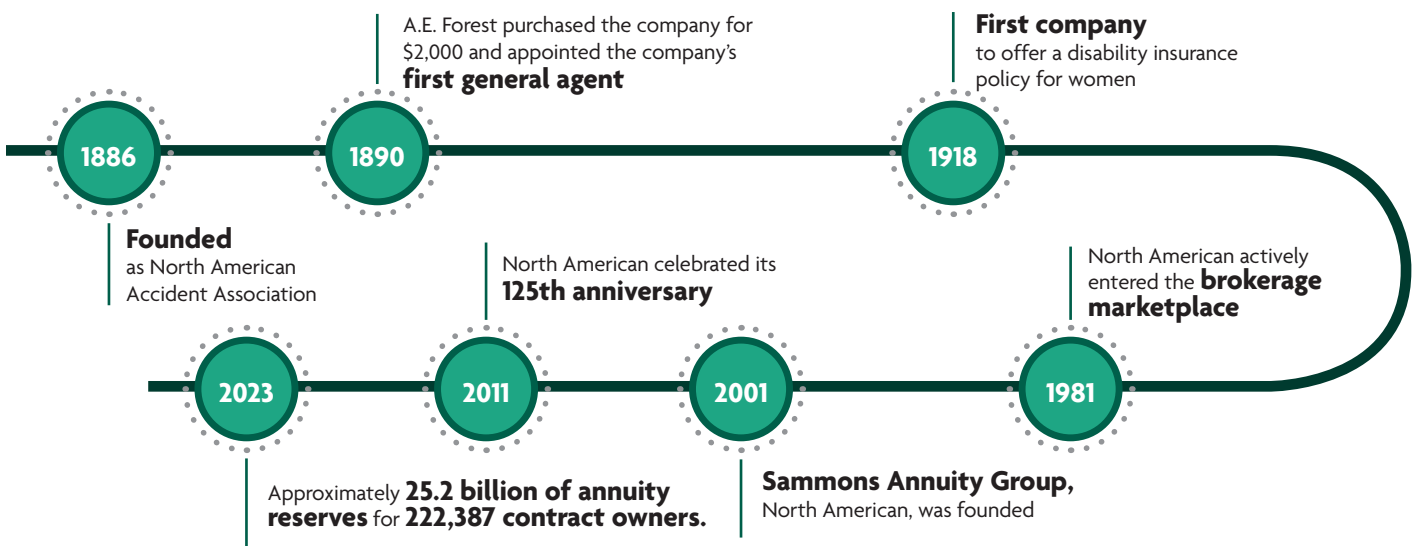

History of strength

As an affiliate of the privately held Sammons® Financial Group, we are not subject to the short-term earning pressures that publicly held companies often face. As we reflect on the past 136 years of life insurance and annuity business, we are proud of our history of making decisions for the long-term and of our continued tradition of financial strength and stability. The high ratings we've maintained from the major rating agencies are testaments to that strength:

“**A+**”

A.M. Best^{A,B} (Superior) (Second category of 15)
S&P Global Ratings^{B,C} (Strong) (Fifth category of 22)
Fitch Ratings^D (Stable) (Fifth category of 19)

With a track record like this, you can have confidence in North American.
