- **Non-qualified stretch:** Non-qualified stretch is available at the time of death claim on most **inforce annuities** including traditional fixed, fixed index, and multi-year guarantee annuities. If the inforce contract had a guaranteed lifetime withdrawal benefit (GLWB), and has any remaining accumulation value, the GLWB will terminate and the remaining accumulation value (death benefit) is eligible for non-qualified stretch. **For new business**, non-qualified stretch is available on Performance Choice® 8, and NAC VersaChoice<sup>SM</sup> 10 (with or without optional enhanced liquidity benefit rider; not available if a GLWB is elected. *Non-qualified stretch is only available for natural owners; not on trusts, estates, corporations, etc.*)
